Dear Parent,

There is a child attending our day camp program (□ Adventures in Time Summer History Camp □ Spring Break Mini Camp) who has a severe, life-threatening allergy to nuts including but not limited to:

Peanuts
Peanut butter
Pecans
Almonds
Brazil nuts
Cashews
Chestnuts
Filberts/Hazel nuts
Macadamia nuts
Pistachios
Walnuts
Nut oils
Nut flavorings

Touching or eating these items may provoke a severe allergic reaction.

For the safety of this child, we are asking parents not to send any food containing these items to the day camp program (□ Adventures in Time Summer History Camp □ Spring Break Mini Camp) at Van Cortlandt House Museum.

Thank you for your cooperation in this matter.

Sincerely,

Laura Carpenter Myers
